

Announcements

- Labs and tutorials starts in **Week 2**.
- Select a lab partner before Week 2 (on Moodle).
- Lab component pack can be obtained from the workshop now. Only need one pack per group.
 - **Keep them safe! Can be reused for other courses.**
- Lab manual available for purchase starting from week 2. Print the first lab yourself **(page 17 and 18)** in week 2 if you cannot purchase the lab manual before your lab.
- Remember to complete prelab quiz before the lab. **Must score 100%** to be registered as completed.
- Quiz 1 will be released on **Sunday, 23 February, 12:00 AM**. Quiz closes on Sunday, 8 March, 11:59 PM.
- Use the forums on Moodle for questions regarding the course.
